“ Mallory, I had the honor of meeting your mother and father in 1981, when I had Jeremy as a dance student at the Dance Factory. I can still remember our many conversations, your mother's laugh, and her pride in, both you and Jeremy. The Christmas ornament which she gave me, that year, has become a traditional ornament on my tree, every year since. Cherry's compassion and pride for her family will always be etched in my memory. Your parents touched many lives. Please know that my thoughts and prayers are with you during this difficult time.
