“ We at the Huntington, WV VAMC consider it an honor to have been a part of Danny's life for many years. We were sadden to learn of his passing and we did not get the information regarding his memorial service until today, 3/16/17. We want the family to know some of the staff from the VA would have attended as a way to celebrate his life. We thought of him as part of our family and we are really going to miss him. We will keep Danny alive in our thoughts because we shared so many wonderful memories over the years. We send our condolences to the family.

“ I want to share a little bit of what I knew of Dan. He was my brother-in-law and what great man he was. He served our country well and put his life in harms way for all of us. He loved his daughter dearly and was always there to help anybody who needed help. May you now rest a peace Dan. You were loved and will be missed by all who had the pleasure of knowing you.
