“ We would like to express our deepest sympathy for your loss. The loss of someone close is difficult to bear. It is our hope that you know that we care. The Bible brings sure comfort for all the ones we have lost and answers such questions as: Why do people grow old and die and What happens to us when we die? God promises a time when death will be no more and this is found at Revelation 21:4 which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourn nor pain anymore. The former things have passed away." I hope this brings you some comfort.
