“ I worked for Mrs. Telfer, Mary, in my early 20's, just out of undergraduate school. She hired me as Marketing Coordinator for McDonough Caperton. I recall my interview for the position. Mary, smart refined and pretty. After reviewing my resume, she asked an unexpected question and liked my answer so she hired me. It was a great learning experience. She allowed me a lot of liberty. I learned a gteat deal from her and respected her. Also, I putted my longesy putt ever with Mary while golfing at Coonskin - a 20ish footer. We were both amazed. Good thing I could golf since it was on my resume. We did a lot together in the short 1-2 years I worked for her. A great mentor, friend and lady. And she baked a grrat pretzel bread. Deepest condolences to her family and friends. Truly, Heather Sipes

“ Dear Chris and Sara--I am so sorry to hear of your mother's death. I have such good memories of your whole family at the First Church of God in Sturgis MI. Sara, you were born there and I had the joy of having both you and Chris in my Kindergarten classes. After my husband and I retired we moved to Anderson and he died in 1999 from complications of a severe stroke. I still live here and see your Dad often at Eastside Church of God. I am so happy to hear of your successful lives and that you have children of your own. May God be very close to you both during these days ahead. Much love, Betty Tufts
