“ I'm deeply saddened to hear of Mr. Strader's passing and my thoughts are with his friends and family during this difficult time. I graduated from C-K in 1985. Mr. Strader was not only a kind and gentle man, but also one of the smartest people I've ever met. We all looked forward to his classes and learned so much from him. We've lost a great educator and a great man.

“ Mr. Strader had an amazing impact on everyone he taught at CK High School. I have so many fond memories of his science class and field trips. He had an amazing connection with all of his students but didn't let you by with nonsense either. Loved him and loved his teaching!

“ Neal Strader will always be one of my favorite teachers a C-K. He enjoyed his students and his work which made it a very interesting class. When his name is brought up by classmates only positive and warm memories are exchanged. I'm thankful for his influence on my life.
