“ Dear family and friends, I am so deeply sorry to hear about your loss. Theron will be missed, but not forgotten because Jesus' words found at (John 5:28,29) says there will be resurrection. So what this mean is that Theron will be given a fresh new start without sickness and death (Rev. 21:4) with the prospect of living forever in a peaceful new world. (Psalms 37:29) I hope these promises found in the Bible bring comfort knowing that you have an opportunity to see him again to share more wonderful times together.

“ There are no sufficient words to express my gratitude for Theron's life sacrifice in service to American interests and security. We all wish that freedom was free and to our deepest regret it is as costly as it can possibly be, making it very, very valuable, NEVER to be taken for granted. God bless and love to you all until you are rejoined in Heaven.
