

Vena Ruby Sullivan

April 26, 1913 - February 13, 2013

Vena Day Sullivan passed away on February 13, 2013 surrounded by her loved ones at the Wyngate assisted living facility in Barboursville, WV. Vena was born on April 26, 1913 in Wayne County West Virginia, the first child of Henson and Zera Ferguson Day. Vena attended Wayne County schools. Traveling in rural Wayne County during the winter was difficult. Therefore, in the winter they would move to the town of Wayne so the children would not miss school. Vena was an accomplished student and graduated as valedictorian of her class. Vena and her husband, Harold lived in several locations including Prices Creek, Huntington and Barboursville. Vena, at the age of 43, decided to return to school to acquire her nursing certification. She continued in nursing for over 20 years at Cabell Huntington Hospital in the pediatric department. Vena loved to have family functions and she always had her camera in hand to record her family as it grew. It is a testament to Vena and Harold that their four children have great love for each other and have stayed close over the years. Vena was always active with work, church, gardening and her family. In her retirement years she loved to crochet, knit, and play dominoes and bingo with friends. Her grandchildren cherish the afghans she made for them. Vena is survived by a sister, Eula Adkins of Ona; three children, Jimmy (Iva) and Tommy (Karen) of Proctorville, OH and Mary Lou Mason (Jerry) of Williamstown, WV,

“ Dearest Tom and Family.... I was so saddened to learn of your Mother's crossing over and will be praying for God to give you comfort and strength. I, too, have felt the pain and grief of letting a Mother leave, but I know that your hearts will be filled with the joy and promise of seeing her and many of our loved ones who will be waiting for us to join them in our Heavenly Home ! Please know that my heart, thoughts and prayers are with you all !! GOD Bless !!
