“ I was maybe 7 years old, and I remember waking up in the middle of the night from a nightmare and sneaking into her bedroom. I crawled in next to her and she just hugged me. I had never felt safer in my life. The impact this had on me in my youth is indescribable and I will never forget the love & safety she had always shown me. She was stern (with so many kids-lol) but you could always see her love. I'm a very blessed granddaughter and she will always be loved & missed. I know she's with all the loved ones we have lost now, finally walking, talking & singing like she used to do, and that's all I could ask for.
