“ My family was so saddened to hear of Wayne’s passing. My sister and I had the pleasure of growing up with Wayne out Martha. He always had a way of making us laugh. In the summer he would come to our house all the time on his bike and slide down the bank tearing all the grass up! My Uncle nicknamed him Robin Hood! Not sure why but Wayne like it and it stuck! Years went by and I was so blessed to get to see him last May. He hadn’t changed a bit.. same great smile and wonderful personality. Please know that your family is in our thoughts and prayers during this time of loss.

*Fly high Robin Hood!!*

“ To Wayne’s family I’m so sorry for your loss!! Wayne and I used to hang out in our teen years. He was so full of heart!! I’ll never forget that blue car as he treated that like his baby!! We always had fun and laughter. We spoke about a month before his passing and had had fun reminiscing about the time we spent together. My heart is aching for his family and I’m truly glad I made a friend in Wayne many years ago!! Much love always!!!

“ Wayne was more like family growing up. We were always running the roads on our bikes, fishing in the river, or playing some kind of sport in the backyard. We must have hunted on every inch of those hills in Martha over the years. Its difficult to remember a day growing up that Wayne wasn't there. As time went by and our lives changed, we still hung out from time to time and he always had a way to make me laugh. Unfortunately, we grew apart later in life, but I often thought of him, hoping to run into him again. He was such a great friend. I cherish all those memories, and will miss him dearly.

Sorry for your loss. I had the pleasure of working with Wayne and he was a good friend to me. We would often sit in the gazebo and laugh and talk and one time he helped me dig my car out of the snow at work. He was always willing to help anyone. Carla, I only know OF you, but I know how much he loved you. He spoke of you often and I'm so terribly sorry you have to go through this. I know how your heart is breaking right now. I hope God holds you extra tight during this journey and I hope you find comfort somehow.

“ *Wayne grew up in our neighborhood and we had the pleasure of knowing him as a close friend of our son. He spent a lot of time in our yard playing and ridding bicycles. We always enjoyed his pleasant smile and gentle manner. He was a good kid !! It is so sad to see his life cut short. We will never forget him.*

“ *My heart is breaking. I think of when I first met Wayne, he was a kid, moved into the neighborhood, and he became my lil buddy. We fished and hunt together, he visited my home often, as I did his, I become friends with Morris and birdie. I lost track of way over the years, often thought of him, and I last seen him almost a year ago at Lowe's and I did not even recognize him. We talked awhile and he seemed very happy, and I was happy for him. I am so sorry to hear of his passing at such a young age, and I am hurting for his mother, wife, kids , and grand baby. Wayne brother Rest In Peace.*
