“ I wish I could I be there with you Uncle Ben. I always loved Ann. She had a smile and a laugh that lite up the room. Although it's been a while since I last saw her, I can still hear her laughing and smiling. Love Always, Linda

“ Ann, you are the best thing that ever happened to my Uncle Ben (besides his two perfect boys - lol). I love him so much and I thank you for being in his life, and in our lives. I wish we could have spent more time together over the years. Life seems to take us in all different directions, as is God's plan. Unfortunately sometimes that means hundreds of miles in between. You are home now and I will see you on the other side. Say "hey" to my Dad and Nana for me. Chris, Leigh and Tony - Condolences from the Wookey Family. Weep not that she is gone, but rejoice forever that she was. Love, Tanya (Ben's niece)

“ From the moment Ben brought you to meet Frank and I, we both fell in love with you. We were both so proud to have you as a sister-in-law. Your sweetness, kindness and wit and concern always for others was a wonderful thing to behold. You now are with the Lord, new body, no pain or tears. One day I will join you and Frank and our precious loving Lord. Till then I will miss you so much. You made the world a better place. By the way, say Hi to Frank for me.

“ We are lifting you up in our prayers! We know your mother was special. We are so glad she was a leader in your spiritual life and showed Jesus' love in tangible ways. God bless you in your temporary separation. Take one of her qualities you admire and make it your own. Ken & Hope Tingen

“ To Ann and Family members. I have fond memories of Ann as I was growing up in WV. She was always so pretty and had a great sense of humor. Although I haven't seen her in a long time. Her sister Wanda has kept me informed about her and I prayed for her often. We are comforted to know she is truly in the presence of her Lord and Savior now rejoicing with the angels. Still, she will be greatly missed by those who love her.

“ Ann worked as a nurse, in her younger years, brought joy to the patients in spite of their fears She worked many hours through good times and bad, then sometimes would tap dance, for those who were sad She had many funny qualities and so like she would do, pick up her guitar, and sing a song or two She really cared for people, for those in distress, but never worried about herself, when she would get some rest But now she rests with Jesus, the one that she loved so, making music with her loved ones, who left this earth some time ago. Love you Ann! cousin Bonnie. 11:26 PM 1/18/2010

“ I could not have had a better mother. You were my friend and one of the greatest influences of my life. Thank you is a cheap way to express how I feel. You truly loved everyone and stood strong for what you believed in. I am so happy for you and look forward to seeing you in your band spankin' new body. It was a privilege to be your son, there is no better Mother out there. Until we meet on those shores. Good-night mom, I'll see you when I wake up.
