“ The world may never notice if a rosebud doesn't bloom or even pause to wonder if the petals fall too soon. But every life that ever forms or ever comes to be, touches the world in some small way for all eternity. The little one we longed for was swiftly here and gone, but the love that was then planted is a light that still shines on. And though our arms are empty and we are deeply moved, with every beat of our heart, Cohen, we will remember you. Sending heart felt love and prayers.
