“ This has been so devastating losing my 4 precious grandbabies I loved so much and I was blessed to get to hold my beautiful precious little Raven his only sister. She like her 3 brothers was born premature and she was dressed in a beautiful pink tiny little babydoll dress and I held her on my lap in her beautiful white wicker cradle for 4 hours and I couldn't stand having to give her back to my precious heartbroken son Bobby Dempsey because I knew that was going to be the last time I'd ever get to hold her until I got to Heaven. Her daddy Bobby and her heartbroken Mommy Jaclyn and her other heartbroken mawmaw Nanette Guyot-cluff aka Nan had already had the entire day to hold her before I made it there. I stared at her beautiful precious tiny eyebrows and eyelids and her cute precious little mouth and her tiny little arms hands and fingernails and tiny little legs and feet and I was already deeply attached with a heart full of love for her before she was born just like I was for all 3 of her precious tiny brothers. The longer I held her the even more I so so loved her. I loved all the names her mommy Jaclynn aka Jackie chose for all 4 of their babies and I really fell in Love with the name she chose for their baby boy River. That reminded me of a beautiful Indian baby boys name. And I of course loved the name Robert Edwin Dempsey 111 the 3rd for their precious 1st babygirl and Little Reid. It was devastating to all of us losing the 4 loves of our lives that we loved just as much as if they had been full term You never get over them and my heart and their mommy and daddy's hearts still are shattered forever missing all 4 of my grandbabies. □
