“ I met Barbara & Clifford at a Doctor's office. I heard Clifford say he was a McComas, and I told them my maiden name was McComas. We got to talking and figured out we were related. Barbara & I exchanged addresses in case any reunions came up so we could let each other know. That Christmas and several years after, we exchanged Christmas cards. When I stopped getting a card from them I worried that something may have happened. Today I ran across Barbara's obituary and saw she passed 8 days after Clifford. She was a beautiful person, inside and out. I'm so very sorry for the family's loss. With Hearfelt Sympathy, Brenda McComas Hoefft Clark
