“ *I was a signal mtr. on the Huntington Division and knew Bethel and most of his brothers my entire career. I also visited with him and Pat many times at Sunset Beach after he retired, when we had a place nearby. He was a man of honor and integrity and many young signalmen looked up to him for advice. Proud to have known him.*

“ Bethel was a wonderful friend and co-worker. He certainly will be missed by all who knew him. In addition to working with him, I would always stop and visit with him at the Huntington Mall when I was in town. Heaven gained another angel.
