“ Betty calling you a sister in law would not sum it up you were more of a sister that always showed the family how much you loved us all. Every year i knew you would send a Christmas card it was the only one I ever got. You never could have your own kids but you was very proud of all of ours. Your life had meaning and knowing your no longer of this earth makes it lonesome . You treated my kids as if they were yours and for that I will allways be greatful. You will be in our hearts and missed untill we are together again
