“ *I worked with Betty when she was a receptionist at St. Mary's School of Nursing until she retired. She would check my house when I was out of town and she would take care of my cats. She was very fond of cats. She babysat my son, and I could tell that she loved him. He certainly loved her. We will miss her very much.*

“ I was so saddened to learn of Betty's death. So many memories of her sense of humor and kindness came rushing back to me. I am sorry that I cannot attend the service due to work obligations. My thoughts and prayers are with Karen and Greg.

“ It is so touching to see so many of her friends posting comments about her. My grandma was her sister and with my grandma passing away so long ago, having Aunt Betty in my life was like having a piece of Grandma to hold onto! Thank you all for the kind words. I know she is looking down at us and smiling!

“ Betty was always friendly and willing to do anything she could to help. My fondest memory was her positive attitude and for us nursing students, a smile, just when we needed it most.
