“ Dear Jackie, Ed and Families,
I was deeply saddened to hear about the loss of your mother, Betty. I know how difficult this must be for you. You are in my thoughts and prayers.
Spending a lot of time with your family during my youth and our skating days, I experienced first hand what a kind and gentle soul your mother was. She treated me as if I were one of her own, as I considered her my 2nd mother. I'm sure she touched many other lives throughout the years as she did mine.
Betty will remain in my heart forever. Please accept my condolences.

“ I have such fond memories of my Aunt Betty. I remember how she was always full of laughter and joy. While this is a sad time for family and friends it is also a comfort to know that she is in Heaven with her brother and sister. Our thoughts and prayers are with her family.
