“ My mom was the strongest woman I have ever known. She was not only my mother but my best friend and my hero. She spoke her mind and would tell you if she thought you were in the wrong, but she also was as soft as a fuzzy bunny to all; she always had a hug for anyone who needed one. Which I did ever time I seen her. They're was no better place then in her arms. There was never a child She didn't love and was grandma to. The little kids in her life was what made her the happiest.
