“ *The world will be a little lonelier while heaven is truly celebrating that this angel is home. I have had the pure pleasure of working many years with Betty Trent at Prester Center. Always happy, and a laugh so distinct that it could only be hers. Betty loved everybody and she freely gave hugs to everyone, whether you liked them or not, Betty was going to hug you when she saw you! I didn't consider myself to be "a hugger" until I met Betty and I soon had to get over that. She was a hugger and she turned me into a hugger, even though I was resisting becoming a hugger. When she retired from Prester Center, she left hugging everyone here.*

*As she is remembered here, we appreciate all of her contributions made over many years of working at Prester. We appreciate her dedication to the work we do and especially, we appreciate her unwavering dedication to our clients. Betty always had the clients' best interests at heart and she cared for them and cared about them. To her loving husband, Ted, and her children and her other family and friends she leaves behind, I pray that God will bring you peace and comfort in fond memories that will carry you through the tough days ahead. In Jesus' name, Amen.*
