“ *Bonnie was a wonderful friend. She was the first to teach (shadow) me at WalMart Rt. 60 when I first met her. But like the affect she had on everyone she met, she struck a loving nerve that lasted beyond WalMart. She would say to all her customers before they left "You have a blessed day", which brought cheer to so many. She loved God and the Lord, and you could see it in her life, and how she treated all who knew her. You will sadly missed Bonnie, we'll see you again someday in the sky. Our prayers go out to her loving family, whom we came to know. May the Lord be with you and comfort you in your grief.*
