“Missing someone just means you loved them.”

-Girl Haunts Boy-

B, I miss you alot, evidently that means I loved you my friend. Thought you said you were gonna haunt me? So far all I do is cry wishing you would come give me a hard time, make me smile & laugh.

Blessed to have the memories we made. Our smiles, our laughs are my favorite.

“ Brandon was a dear friend of mine. Never a dull moment with him around. What I loved most about him was his sublime sense of humor, we shared lots of laughs and smiles, that I will forever cherish. I also appreciated his candidness!! My heart is literally hurting.
