“ Just a note to express my sympathy and prayers to the family. I work at St. Mary's Medical center. I became acquainted with Eloise several years ago when I began working downstairs. I had seen Eloise in the cafeteria and she told me her brother was in the hospital. I also met her nephew.

*I wish I had the words to make you feel better, but I don't...but there is one that can and he will stick closer to you than a friend. May God's love wrap you in his healing arms and sustain you during these difficult times.*

*Love & prayers, Evonna Meadows*
