“ *With deepest regret. She certainly had a long and service-filled life. It is unknown if I'm related; and am sorry I missed the chance to meet her in this life. Perhaps, after I get more involved in ancestry research, I'll find a relationship with Eugene . . . and can claim her as a relative - since she gave so much to so many and was apparently so beautiful inside and out. May God bless your entire family. Psalm 116:15.*

“ *Ms Catherine was one of the loveliest, sweetest and most caring ladies I have ever known, It was my pleasure to talk with her by phone recently. She really was amazing! What a legacy of love she leaves behind to her family, the charitable organizations she supported and to those fortunate enough to have known her. I pray she was joyously greeted by her loved ones who have gone on before her. What a wonderful reunion that must be! My sympathy to the family and especially to Terry, her loving, devoted son.*
