“ *Dear Lipscomb Family, I send my deepest condolences upon Katy's passing. She and my mom (Charlotte Fulks Gesner) used to knit, crochet, cook, and be friends when I grew up in the 60's & 70's. I loved Katy - she allowed me to play her organ when we visited, and she'd let me sneak and play Tracy's drum set! I was a precocious child, but Katy always tolerated me! It is a great loss to hear about Katy's passing, but one day we shall all meet again! Blessings,*

“ Tracy and Family ... I am so sorry to hear of the loss of your mother. I have many fond memories of her and your family while growing up. We had some great times both at your home and the summers spent at Myrtle Beach. Your mom was very special and no one else like her with her continuous smile, wonderful sense of humor and infectious laugh. She will be sorely missed. You and your family are in my thoughts and prayers.PS ... I really did have little sharks in that tank.Your brother in Christ, Rich Christian
