“ *My heart goes out to the family of this precious little girl who lived a short while on this earth. Christian singer Twila Paris wrote and sung a song on her 'Beyond A Dream' cd by the title, 'Visitor From Heaven'. This little girl was a visitor from heaven. May the God of all comfort fill your hearts with grace and love until you are reunited in another time, another place. Where the cares of this life are cast aside forever.*

“ *Cecily Pearl,*

You were born sleeping so perfect, tiny and beautiful.

Still loved. Still missed. Still remembered.

Everyday.

Stillborn but Still Born!

We love you and will forever carry you within our hearts!
