“ I am so sorry for your terrible loss. This is an especially difficult time to find comfort from anywhere. I hope you find comfort in what Our Creator promises. He promises we will soon see our loved ones again in paradise on earth. Please try to find a little time to consider the warm thoughts for you from the God of all comfort at Isaiah 25:8, 9; Acts 24:15 and Revelation 21:3, 4.

“ I am so, so sad to hear of Chad's passing. We loved him so much at Green Acres. He was the sweetest child and even though it has been many years since I have seen him, he has been in my thoughts frequently. He was such an angel. May God's mercy and love give you strength during this difficult time. He will surely be missed ... our Baby Chad.

“ I am so very for the loss of your precious son Chad. I had the privilege of being one of his aides in Ann Farleys class at Davis Creek elementary. I loved it when it was my turn to work with him...he had such a sweet deposition that was contagious and always cooperated in what we asked of him. I remember one day when Miss Ann was working with him to get him to feed himself without any hand over hand or gesture and he did... the excitement and proudness we all felt in that room (since this small task took all of his elementary school years to accomplish) was unbelievable. Anns words were funny to all of us since this was his last year there (he was going on to middle school in the fall) when she looked straight into his eyes and said "Chad, it sure took you long enough to accomplish this and its about time you did since you're leaving us in a few months to be a middle schooler and this task being in your IEP since day one can now be check off"!! We celebrated the rest of that day with him! Please know I am lifting you and your family up in prayers for peace and comfort at this sad time! Again, my sincere sympathy to you all!

“ I am heartbroken at the loss of sweet Chad. I thoroughly enjoyed every second of having him as a patient over the time I have worked at Cabell Huntington Hospital. I will definitely miss seeing that sweet face! He was so lucky to have a close-knit family that constantly showed him love! All of you are amazing people, and I pray that God gives you comfort through this very difficult time. Chad is flying high with the angels, and I know God will take extra special care of him!
