“ *Did Charlene ever live in Joplin Missouri? I had a good friend in Joplin with one child at the time. She had auburn-colored hair. I lost contact with her many years ago. Please let me know if this is her. I am so sorry for your loss. My Facebook address is bclark121345@aol.com, password is Blu123.*

“*Charlene and I worked together in the office at Dutch Miller Chevrolet along with Pat Stowers. Charlene and Pat were the first people I made a connection with in Huntington. I moved her in Aug. 1966 and started working with them in Nov. 1966. Charlene was always laughing and kept everyone around her in good spirits. I would just look at her and be in a better mood. I'm sure that Clyde doesn't remember me and Denise you were too young. Michael, when you were born I wasn't working with your mother. She was a fine person and I know she will be sadly missed by each and everyone of you. May we always be able to keep her in our hearts.*
Love Sandy”
