“ *Christian St. John was a gem of a man and meant so much to our family. Both of my sons were his students at Hurricane High School. He was their favorite teacher because he treated them with kindness and respect. He loved to teach and they learned so much from him. His concern for his students wasn't limited to the walls of his classroom or to the ringing of the last bell. He was and is a wonderful man who is now safe with Jesus. He will be sorely missed here.*

“ I am very deeply sorry for the loss of my cousin Joe, I would love more than anything to be able to come to the funeral but unfortunately I have to work this evening and the next two evenings. My thoughts are with the family right now and my prayers. I love you all, and I am very sorry I can not be there. We will have to get together more often since life is so fast and you never know when you will be called upon. Prayers and love.

“ I was a student of Mr. St. John's language arts class at Hurricane Middle School and Hurricane High school. He was a brilliant and caring teacher, one whom I can say I actually learned from, and looked forward to his classes. It's a great loss to Putnam County's students to have lost such a great teacher and mentor. My thoughts and prayers are with family.

“ Mr. St. John was the most fantastic teacher!!! He taught me in two classes and both were my favorite classes at Hurricane. He made such a difference in so many students lives because he genuinely cared about their future. He turned my direction in life around completely just by taking the time out of his day to understand me. May he rest in peace. He was such a brilliant soul. We love you St. John!!!!

“ I first heard of this after seeing my fellow classmates talk about how much more he was a teacher and how he helped inspire others. He too was a great inspiration to much. I had the pleasure of having him and his wife as teachers throughout my high school and middle school. My condolences go out to his family.

“ Mr. St. John was one of the few who truly played a part in making my high school experience as great as it was. He was one of a kind and hilarious. I'm so sad to see such a good soul gone so soon. RIP. Thinking of you, Mrs. St. John.
