“ My dear sister Connie and nephew Brian: Our hearts are heavy and saddened by her passing. Christina's "graduation to a much better place" is comforting. Also the fact that she is no longer sick and in pain is a help to face the upcoming days. We love you and are here for you.

Beyond being my cousin, Christy was my friend. I have many fond memories of Christy and I growing up and I will cherish those memories the rest of my life. She never failed to hug me and say "I Love You" when I seen her and when I was leaving her company. She will be greatly missed!*

“ *Our family has lost a very special lady but Heaven has gained a very special lady. She is now walking hand in hand with Mamaw and Papaw singing and dancing and praising God. She is singing with the angel choir while Mamaw and Papaw play instruments in the angel orchestra. She has suffered to long here on earth in her flesh body but now she is pain and stress free in her Heaven Spirit. We will greatly miss her and will ALWAYS love her.*

“ Christina and I were cousins and the best of friends throughout all of our lives. My fondest memories of my life are of the times she and I spent together. She never failed to say "Give me a hug" and "I love you". It's so hard to comprehend how my heart can be so heavy but at the same time a big piece of it is missing. Christina and I always worried about each other. There is no doubt in my mind what she would say to me and each and everyone of us who are hurting right now. She would say quit worrying, I'm free from the pain and sickness. She would also say I'll be here to welcome you when it's your time. I love you Christina and I will never forget you. I know you will be watching me from heaven. Thank you for all the great times we had together. Love Tammy
