“ *We were saddened to hear of Cliff's passing and were out of town at the time of his funeral. Cliff was a character and we cherish the memories of the trips we made with him and Vida to the missionary conventions and all the shared meals. His love for the Lord and others was so apparent. His crazy jokes were okay, too!!*

It was a blessing to have known him and we extend our sincerest sympathy.

“ *Cliff was truly our friend and we share in your loss. It's difficult to imagine events at church without Cliff being present. There are so many things about his personality that we will remember and miss. He spent his life doing what was right everyday, and now we are sure he has received his reward in Heaven.*

Our love and prayers for Carol, Yolanda, Mike and all of Cliff's family.

“ So very shocked and saddened by this sad news. Hard to believe that Cliff is gone. He was my friend, boss at Marshall University. When he retired, it broke my heart. We were close and laughed alot, but got things done. He was such a kind soul, and I admired him so much. When he remarried, and moved away, I was sad, but he found happiness and it made me happy. He came back to visit and was so glad to see him. Rest in peace my friend, you are in the arms of the angels. I will never forget you, thank you for being in my life. Much Love, Bonnie
