“ I didn't know him well at all. I have only been at CTC for right at a year. One night working late with the video team doing a shoot for Union he stopped me (first time I had spoke to him other than in passing) and said God Bless you and the work you're doing I see you running the camera. After that it was always God Bless you or something along those lines. He is a BIG part of CTC. Will be hard to miss, but thankfully we know he's with his Father and Savior.

“ My wife and I would be working in churches kitchen and would always try to get Curtis to eat something as he was passing through while working, sometimes he would take us up on our offer. He'd stop for a few minutes and we would have a nice conversation. We will always remember him as that kind sweet man. Charlie and Sharon Adkins

“ Curtis was very kind man whom had so much I believe if you heard what came out of his mouth ! I think he's do anything for anyone ! He and talked as I used to come to help clean as servant of god in the house of god ! He didn't go not noticed in my life he felt he didn't have worth to be cleaner for the house of god ! To take care of the church the way he did and did beyond the call of duty to see how the church looks when visitors and guest speakers come in and mostly the lord is more than we know ! Look at it guys Levite's took care of the temple he was one ! Levite's his roll in church a Levite's we wonder how things got done his roll of a Levite's ! Thing is many work behind the sceen never get shown ! He will be missed by me ! He was funny and kind and gentle man ! Levite's where people whom took care of the temple and more ! Never forget a Levite's !

“ Whenever I had a problem and I will talk to him about he would not let me leave until he would grab hold of my hands and pray with me. My heart breaks because he's gone and I won't be able to see his handsome face at church anymore. He was a good father to his children and a good friend when you needed one.

“ I am forever grateful, that I am fortunate enough to realize that EVERYONE counts and EVERYONE has something to give and that EVERYONE needs something or someone. So, years ago, I started joking with Curtis asking if there was anything good to eat in the garbage can at church. (I know I'm silly, but it was our joke, it was fun and he loved it!) So from that point on every time I saw Curtis, EVERY Sunday, EVERY Wednesday, special events, meetings, etc. he always came up to me and said "hey Fred, there is some old food in this garbage can if you want it?" and then he would act like he was digging in the garbage can for me and then he would begin to grin, laugh and tease with me... I will forever be grateful for his friendship and conversations with him. Sometimes the quiet, almost not noticable presence of someone is more noticeable when they are gone. I know this will be the case of Curtis Roberts! He will be missed and I and so glad that I always made time for him.

“ Curtis was one of the first people I met when I started CTC. He was so kind and always prayed for me. He could "feel" when I was sad and depressed, he'd come up and ask me if I was ok and I'd say yea and he'd say no you're not let me pray for you and I'd smile and say of course. He just always knew. God used this wonderful man to touch my life. Rest in heaven my friend. 🌸

“ My brother in Christ you will be greatly missed. I will miss the talks, times joking around and laughs we had. You may have left this old world and moved to your heavenly home but this is not goodbye friend its until we meet again.
