“ *Sending prayers of comfort to the family. Daniel will be missed by so many here at work (especially me). Daniel and i have known each other for a long long time and regardless of what came his way, he still continued to care for and about others. You were a good man and a hard worker who gave all that you had to make others happy. Your conversations will be missed my friend.*

“ I knew Daniel as a man of faith in God and the Lord. He was an example of strength and perseverance. Against trials and tribulations, he kept going and didn't stop praying to God for help. He set an example that no matter how bad things get, to never stop praying and believing that God will take care of us in his time. The passing of Daniel Sheppard is bittersweet. I will miss seeing him arrive to work and seeing God working in his life, but I am glad that Daniel is finally home with the Lord. No more suffering, just indescribable happiness and light. Congratulations Daniel! I'll miss you, but you finally made it buddy!
