“ *My deepest sympathy for the loss of a very, very special man. He was the Godfather of my twins. I can still close my eyes and see the inside of the old church on Hash Ridge and see Junior getting so blessed he could hardly talk. Many a time, he would just stand up to testify and just raise his hand to heaven as tears poured down his face. He is finally home with his Lord and his precious Nila. It's good to know they are walking the streets of heaven together.*
