In Loving Memory of David Allen Clark

July 1st, 1951 - August 31st, 2023

With heavy hearts and gentle smiles, we bid farewell to David Allen Clark, who peacefully journeyed to heaven on August 31st, 2023. David, born on July 1st, 1951, was a preacher whose sermons were both inspiring and heartfelt. His love for the Lord guided him for many years, and his teachings touched countless souls. Beyond the pulpit, David was a loving father and a great friend. He had an unshakable faith in God and a great sense of humor. His warmth and compassion made him a confidant to many, always ready with a listening ear and a comforting word. David has now rejoined his beloved wife, Linda, and daughter, Kimberly, in heaven. We can only imagine the joyous reunion and heavenly humor they're sharing. And let's not forget that he's also reunited with his faithful dog, Jetson, who was surely waiting with a wagging tail and boundless enthusiasm. David was preceded in death by his father, Charles, and mother, Sylvia, who are now reunited with their beloved son. A celebration of David's life will be announced at a later date, once details have been determined. Though David has left us, his spirit lives on in the memories, laughter, and the love he shared with us. Until we meet again, may you continue to brighten heaven with your smiles, jokes, and the company of your loved ones, both two-legged and four-legged. Amen..

“ *Only recently David and I reconnected on Facebook so sorry to hear of his passing. Many childhood memories of birthday parties, catching lighting bugs, how to avoid snakes.*

“Daddy Clark meant so much to so many. He was the most beautiful and precious soul I have had the honor of meeting and knowing. We shared jokes and laughs about how Kathy was mean to us and wouldn't let us live our best lives! His laugh was the cutest and he was always ready for good conversation. Daddy Clark it won't be the same without you but at least we have memories. Oh, and I will always do my best to harass Kathy and make her help me look for my pills, after I turn my flashlight on, and just to slightly annoy her. All we wanted was some sweets, Kathy!! 😊

I hate to hear he has left us but know where he is now. Grew up with the family at a young age and loved them all from parents to siblings. Wanted to regain contact but waited much too long. All my love to family.
