“ *First of all I would like to say to my beautiful sister Dottie and her beautiful daughters that my heart goes out to each of you. Now To my favorite memory of David, Is how no matter what he went out to work to make sure that my sister and their beautiful children, We're always safe, In a warm bed And always had food to eat. David I will never forget that about you. I will never forget how you always went out when there was power outages, To make sure that everyone else was safe, thank you. I will never forget that little grin that you would always make when I would joke with you, The same one you made at me the day I last seen you when I was up to your and Dotties house. I will never forget you when I am at the grocery store Shopping and I see 2 of your favorites pretzels and bananas. I know that you're in a better place ,pain free, but I will never forget you and I'll miss you Dave. My you rest in peace, I love you. When the power goes out I'll always thank you. Always Gale*

“ *One of my fondest memory of uncle Dave was when I was about 16. My chevy nova didn't have a good stereo in it and I really wanted one with a tape deck in it.. Uncle Dave told me Sean you can take the one out of my truck and put it in your car.. I always just thought how really cool that was. Of course my dad said no, because him and mom were getting my one for Christmas.. I have always remembered that about uncle Dave though out my life..*
