“ I was glad that Dawnetta I got to know Dawnetta a little better these past couple of years. I am thankful for what she did for her Dad, Roger Eplion, and my Step-dad and Mom. I hope that Jessica and Jamie have a chance to connect with the Eplion side of the family. My Mom loved and appreciated her, that's all I needed to know to understand that she was a special person. As it is with family, when I saw Dawnetta earlier this year, she treated me like we have been around each other all along. With all our love and prayers Tim, Marlene, Andrew and Whitney.
