“ *I was just thinking about Dean and the great times we had together in Fla. over one spring break in college and working together in the 321 shop. Shocked when I looked him up to learn of his passing. May God bless Dean and his terrific family. Will never forget spending holidays watching football with the Pauley's. His Father was a true gentleman and gave me a much needed job which helped me to pay college expenses.*

“ *I don't really know what paper, aghtoulh there are permanent pens. But one idea is that you could have people use regular pens and paper and then later spread the pieces out on a surface, cover them with clear self-adhesive film and cut between the pieces. It would be quite a quick process and it would not only preserve the writing but also keep the paper waterproof.*

“ *Chrissie, Lewis, and Manny, I am so sorry for your loss. Dean was a special man to so many of us. I will never bake a red velvet cake that I won't think of him and smile. I always had to make extra icing for him and if I made one and brought here to the office, he would stop by and have some. He was a good friend to me and taught me so much about this business. I will always have a special place in my heart for him and I pray for your family.*

“ Aunt Criss, Lewis, Manny, Mimi, Uncle John and Mom... Uncle Dean was a great man. He will always be loved and will forever be missed. I will always remember our ice cream date nights before we moved to Iowa. I will also never forget how he would give my brother and me a dollar, but tear it in half... it had to be equal. :) I love you more than you love me, Uncle Dean. Until we meet again....
