“ I love you eternally, my dear Aunt Debbie. You were an extraordinary person - amazing, kind, strong, and beautiful, both inside and out. I will treasure all our memories. Your legacy will live on in the hearts of all who knew and loved you. Though I wish I could have said goodbye, I know we'll meet again in heaven, where we'll spend eternity together.

“ My Beautiful Sister And Angel. I'm having a really hard time with you being gone. None of us were prepared for this. You were my best friend and we could tell each other anything. You were sick for a long time and we never got to spend time together. We have sooo many happy memories together. I've locked them all away for safe keeping. I know you are in Heaven and in no more pain. I will join you when it's my time to go. This is not goodbye, I Love You My Angel and will Miss You Everyday Till We're Together Again. ❤️🥺
