“ *We are so sad to hear of Aunt Debbie's passing. Our love and prayers are sent to Uncle Mike and all our family. We have such great memories of visiting their farm, enjoying the reunions they organized, riding with them in the parades, and helping them with their annual Thanksgiving dinner. Such a servant's heart she modeled. I am so glad we will be reunited with her in heaven. I hate Mark and I have to work and wont be there with you. We love you.*

“ Praying that God's caring, comforting presence will hold each of you close during this difficult time. When we are lucky enough to have wonderful people in our lives, it hurts that much more when they pass. Each person Debbie met is enriched for having known her; she was indeed a very special lady and friend.
