“ *Dear "Mrs. D" & the Davidson Family, I'm so sorry to hear about "Mr. D's" passing. I grew up across the street from Mr. D. and he was my elementary school principal. I learned a lot from Mr. D., from gardening, taking care of lawns, neighbor helping neighbor, time at school, sitting around the fire on winter nights in his house or in the booth in the kitchen, playing pool in the outbuilding, being his caddy when he played golf, or one of my favorites, sitting on the front porch just talking with him and of course sometimes "Mrs. D." You are two of my favorite, most influential people of my youth.. Maybe saying less is more. "Mr. D. was a very good man, friend, and mentor. I miss him." I weep too. I wish you all peace.*
