“ *Whenever Don visited my workplace I knew he would put a smile on my face and leave me laughing as he left. I always tried to "top" his stories and wit, but always came up short. I found him to be very kind, interesting, and insightful. I will deeply miss our conversations and his wonderful Irish sense of humor.*

“ *My deepest sympathy. He was a consummate professional, and hands down the best administrator I worked with during my Nursing Home Medicine career. He will have many stars in his crown!*

“ Don was a wonderful friend to my parents, Cal and Carol Nelson. I was always so happy to see him when I would come to town to visit. He and Anita always brightened my day. I will always see him in my mind, sitting outside with a treat ready for our dog, Ellie and a big hug for me. He helped our family with his warmth and support, especially after my Dads stroke. He will be missed by many friends and furry friends as well. I loved him. I hope hes sitting beside my Dad right now enjoying the view and sharing stories
