“ Don and I met in the summer of 1950 and became close friends for 69 years. Our close friendship took us through many good times and a few tough ones. This is the toughest one of all. I am proud to call Don my lifelong friend. My heart goes out to all his friends and family. Maybe our paths will cross again if we meet for another lifetime. I hope so. Rest in peace, my good friend. I will miss you.

You always touched my heart with your love and concern for Don and his well being. I am praying for you during this very difficult time... and want you to know that I'm always here for you if you need a friend. God bless you. Love you.

“ I'll never forget when Teri brought Don to my wedding years ago. They were such a great couple and I'll never forget them dancing like teenagers at the reception. He will be missed! Many condolences to you cousin Teri!

“ Met Don 20 years ago when my first Cousin Teri and him visited us in Florida. They were still dating and soon married. I remember he was so tall and the two of them made a cute couple. He had a great sense of humor!

I remember when I was little, when we would come down from Cincinnati to Huntington, and I would try to sneak over to play Don's pinball machine! I remember coming into the house and smelling Margaret's perfume and my brother and I taking turns playing the pinball machine. I remember Don and Margaret making a deal with my family to surprise my brother and I with that pinball machine for Christmas. We still have it in our basement! God bless you Don. I know you are back with Margaret after many years apart. I will meet you someday in the Kingdom of God. God bless you.

“*Reading this has made me go back to so many things. He was involved in our family in so many ways including an original investor in Henson Mortuary and the boating. He and dad both had beautiful yards. He kept an eye on our home after Mom had her stroke and we brought her to Cincinnati. Watched over both Mom and Daddy when they were aging and sick.*

He was active with the lives of so many young boys through his coaching and reffing at the YMCA. He was a positive influence on so many.

This gentle giant was an amazing Dad to his daughter Angie and loved her and her daughter with all his heart.

He and his loving wife Margaret are united again. And we will all be together, free from pain, in the home our Lord has prepared for us.

Love him so much,
