“ I will certainly miss my Precious sweet friend. There will always be that empty spot in my heart and on my book Fri.at 11:30 that i will not fill as my tribute to her. The last several weeks with tears in her eyes she would tell me she was in so much pain and that she just didn't know what she was going to do and although i'll miss her very much I'm thankful that she's no longer in pain and that she now has her beautiful wings. Ken and Family she loved you all very much as i'm sure you already know. I'll keep you in my thoughts and prayers that God will keep you wrapped in his loving arms as you go thur this painful journey, Love,Rhonda
