“ I cannot put into words that do justice of the life-changing influence that you had on me and so many youth of MRBC. You were always there for me and the memories that I carry with you, Henry, Racina, David and the entire MRBC youth of the 1980s are some of the most precious that I still have to this day. You made me feel loved and accepted as a part of something bigger. To a teenager this is more than money could ever buy. As a mixed-up teen trying to navigate my way, you showed me what the true love of Christ was and you lived it. I can say beyond a shadow of a doubt that God placed you in the right place at the right time. You are one of only a handful of people in my past who made me who I am today and I thank God for your influence in such a critical time in my life. I could not have made it to where I am today without your steady guidance and example. You helped give me the courage to become president of the youth something that I have never forgotten to this day. You made Mud River the special place it will always have in my heart. We may have been few in number but we were strong in spirit and love, the love that lasts a lifetime. My prayers and love go out to the family. I love you all.

“ You are now in the arms of your baby Jesus and I know he holds you in his arms . The garden is now yours to walk in . We will never forget you. Your love of Christ was projected in everything. I was so happy I got to sing one more song with you. One day we shall meet again. I love you always . Rest with Jesus sweet angel.
