“ I have fond memories of Dotty, I also knew her late husband Jack and she they took such good care of one another. Although I am only distantly related to the Workman Family by marriage, they are very special to me. Dotty will be sorely missed.

“ Our heartfelt condolences to the entire family. Aunt Dorothy was special to us all. I admired her spunk and willingness to speak her mind. I remember hearing so many stories when Grandma Frances and I would visit with her in the summer...and then she'd somehow always send us home with flowers.
Our thoughts and prayers will be with you.
