“ *What a lovely lady your momma was. When I remember her, it is her big smile and softness. She was blessed with a wonderful family, as you all were blessed with her. My loving condolences to all of you.*

“ I was saddened to see Mrs Wheeler passed away. My grandmother (Maxine Bias) and Mrs. Wheeler worked together at WT Grants and as a teen I would go there to meet my grandmother. Mrs. Wheeler was always so very sweet to me. Over the years I would see her sitting on her porch and I would stop to say hello. I will miss her very much. My prayers are with you and your family.

“ When I was a little girl, I admired Mrs. Wheeler on so many levels. She always looked marvelous and she had such a cheerful disposition. I am so glad that I got to see her 2 years ago. Although she was slipping, her countenance still glowed. God bless you sweet lady.
