“ *We miss Elizabeth. She was in the same nursing facility as my mother. She had adopted us as family and we felt the same way about her. We will miss her smile, her kindness, her hats, her caring conversations, and most of all her hugs. She always asked us to pray for her so we feel that she was right with God and is in a better place, free of pain and sickness. Heritage will not be the same without her as she was loved by all she came in contact with. And so.....this is our good bye hug with love.*
