“ I love you and miss you more than words....  
Everyday without being able to call you and  
ask what you're doing and have our daily chat  
is a day that I hate to say even existed.. I love  
you so much Mom.. you are my best friend I  
could tell you anything.. This will be my first Christmas without being  
able to get that hug and kiss from you on my way out the door. It  
never gets easier but somehow I am slowly learning how to cope  
but everyday my heart drops thinking about you no longer being  
here with us, me not able to call you or come and visit you... We  
have all been a mess without you well I know for sure that I have....  
I'm glad you're not in pain anymore but why did I have to lose you  
out of nowhere. It was my worst nightmare to wake up to a phone  
call saying that you're no longer in my life... I lost you and Dad both  
within such a short period of time this year..why? 😞💔 You and  
Dad were all that I had no matter what. I never would have thought  
that I would be on here writing this but here I am💔 I can't even see  
the screen because I am drowning in tears typing this.. I hope you  
are having a great day with Grandma and Grandpa and your brother  
in heaven.. tell them I love them for me please...I LOVE YOU MOM  
❤️💋 XOXO...until we meet again👉👈💕👉👈🌞🕒😊
