“ *Rice Family*

My heart hurts for your loss. I remember my first time away from my parents was staying with Freddie and Winnie waiting the services for my daddy as a seven year old child.

I was scared, but Winnie was so sweet to us (me and 3 sisters). She kept us entertained and busy so we didn't have time to fret over the situation at hand. She and Freddie were great to us and we never forgot how special they made us feel!

Winnie has left many behind, but she will never be forgotten or out of our hearts.

Love and peace to her family until we meet again. Love Teresa Rice-Taylor
