“ *She was a totally a lady in every sense of the word. I so enjoyed talking to her and remembering year gone past.
Heaven has an angel to add to the Heavenly choir!
She loved her family, that was so evident in talking with her about her kids and grands.
Dear God put a hedge of angels around the family for comfort and strength. Amen*

“ *Emma jean was always a kind person to me and my girls. When my oldest was in the hospital she brought her coloring books and Barbies. She'd even stay with her for a while so I had a break. I never heard a harsh word from her. I remember the family reunion and how we all had a great time. It's been years but always admired her. All fond memories. Hugs and prayers for the family.*
